

# THE ACTION BIBLE ANYTIME LESSONS<sup>®</sup>

## SUNDAY SCHOOL & SMALL GROUPS

It's easy to use THE ACTION BIBLE | ANYTIME LESSONS whether your class is meeting in-person or virtually at home. First, you'll want to explore the How It Works document so that you are aware of all that's available to you. Then, check this out!

Here's how to use THE ACTION BIBLE | ANYTIME LESSONS with your Sunday school class or small group:

### PREPARE AHEAD

- Review the episode's Scripture passage and then choose activities for your class.
- If you're meeting in person, test your internet connection—you'll be streaming the episode's video segments. Also, print enough of the Grow It bonus resources you've chosen so each child can take one home.
- If you're meeting virtually, adapt the email to parents for your use and copy the right links into the email. Hit "send" so kids have access to the materials they need, and then let the fun begin!

## IT'S CLASS TIME

As your class arrives, you can always chat with kids about their previous week and how they acted out the previous week's Scripture with their families.

- Play the episode video for your class.
- Review the God in Action statement.

Discuss the Scripture and God in Action statement. Use questions from TALK IT UP if you want some help prompting the conversation.

- Use the activities you chose for the week to further help kids see how putting God's Word into action might look.
- After the activity, ask kids to describe how they'll show their families and friends God's Word in action this week.
- Close in prayer and then send the TAKE IT resource home with each student—or via email!

## GROW *it* Leader Resources

These are BONUS OPTIONS you can send to families or use if you're leading a THE ACTION BIBLE | ANYTIME LESSONS Zoom session. GROW IT helps each week's Scripture take root in kids' hearts with even more ideas and prompts to help them grow in God's Word!

### REMEMBER IT

Use these Scripture memory activity ideas to help make the Remember It verse stick.

### PLAY IT

Optional games you can use to help hands-on learners see God in action!

### CREATE IT

Optional creative projects help families have fun together while deepening their understanding of the weekly message.

**TAKE IT**

This take-home send-home resource features a ***Sum It Up*** section that recaps the lesson and ***God in Action Devotions*** to encourage families to read Scripture each day and then consider what God's saying to them through His Word.

**CONSIDER IT LEADER DEVO**

This brief devo will encourage you to consider what each passage means and how it applies to your group.

**CONSIDER IT BIBLE BACKGROUND**

This resource provides context to help ministry leaders better understand and teach the Scripture passage.

**AFTER CLASS**

Be sure to send parents the link to [THE ACTION BIBLE | ANYTIME LESSONS](#) episode you covered in your class and ask them to watch the episode with their children. This will keep families growing together as they explore His Word.
