FALL B
Lesson 8

Ready for Anything

“Nothing will be able to separate us from the love of God that is in Christ Jesus our Lord.”

See Romans 8:38-39

When we go somewhere, I try to be prepared with things that will occupy my child if we have to wait or she gets tired or hungry. I use a small backpack and add snacks, drinks, a couple of books. I let my child choose two toys to bring. When we're done packing up and heading out the door, I say, **Jesus takes care of us everywhere we go. Jesus loves you.**

Try This:

My kids love to play with balls. Sit on the floor with your child. Roll a ball back and forth and each time you roll the ball to your child, say **Jesus loves you.**
