Lesson 12

Praying with Your Child

“The Lord hears when I pray to him.”

See Psalm 4:3

Looking for ways to make prayer a normal part of your child's day? Here's an idea we've tried: Look through photos of family members and friends and encourage your child to find three people to pray for. Have your child complete the prayer starter: "Thank You, God, for . . .," naming the three people. Talk about any prayer requests and then ask God to help the people your child chose.

Try This:

Print out the pictures of the people your child wants to pray for. Display them on your refrigerator as a reminder to continue praying for them.
