FALL B
Lesson 2

Developing Independence

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.”

Mark 10:14

Doesn't it seem like some kids love to go new places, while others respond to change with worry and tears? One way I help my child develop independence and adjust to new places and people is by repeating often, God takes care of you. **God loves you everywhere you go. God loves you at home. God loves you at church. God loves you at grandma's house. I love you, too!**

Try This:

On our way to church, we'd make sure to talk about the friendly people our toddler would see at church and the fun toys she would get to play with. It helped her get ready for church. If you're a singing family, you can make it even more fun by singing this song to the tune of "The Farmer in the Dell": "It's fun to go to church! It's fun to go to church! With all the other boys and girls it's fun to go to church."
