Lesson 1

## Great Beginnings

*“God made the world and everything in it.”*

See Acts 17:24

Kids love getting to explore at night! Have some fun with your child by turning off the lights at night and using flashlights to find things God made. Shine the light on plants, water, and people. Take your search outside. Shine the light on the trees, bushes, ground, and sky. Be amazed with your child that God made the world and everything in it.

### Try This:

A kid-favorite game in our family is “I Spy.” Play a variation by saying, **I spy something yellow that God made or I spy something in the sky at night that God made.**
