FALL B
Lesson 9

Family Rules

“Let us love one another, for love comes from God.”

1 John 4:7

I have found that if I make the rules consistent all the time, my toddler doesn't fuss when I enforce the rule. When we get into the car, it's always the rule that he sits in his car seat and buckles up. I tell him the car doesn't move until everyone in the car is buckled up. I say, **I love you so much I want you to be safe. Jesus loves you, too.**

Try This:

Read a Bible storybook with your child. Point to pictures of Jesus. Read the story about Jesus and children. Ask your child to point to the pictures of Jesus. Say, Jesus loves you. Jesus loves children.
