Lesson 6

Delight in Your Kids

Jesus “took the children in his arms, put his hands on them and blessed them.”

Mark 10:16

I want my kids to feel the delight I have in them. I hug them often throughout the day and say, **I love you, and Jesus loves you.** I chase or tickle them as they walk by. As they associate my love with warm feelings, they will understand better how Jesus loves them, too.

Try This:

As your child climbs in your lap for a story or snuggle time, say, **Jesus loves little children. The Bible tells us that Mommies and Daddies took their children to Jesus and He hugged them. Jesus loved each one.**
