FALL B
Lesson 3

There's No Family Like My Family

"Pray always and be thankful."

See Colossians 4:2

Can you remember the time before your child was in your life? Show your child a picture of yourself during that time. Then show one of the earliest photos you have of your child and a more recent one. Share how glad and thankful you are that your child is in your life now.

Try This:

My kids like looking at family pictures. When our computer in the kitchen is on, we set the screen saver to run a slideshow of family photos. Often someone will say, "Remember when we did that?" Sharing memories of family keeps us connected and thankful for times together.
