## Two Thumbs Up

*“God saw all that he had made,  
and it was very good.”*

Genesis 1:31

My kids like it when I ask their opinions on things. When we look at pictures of food in magazines or cookbooks or see something on TV, I ask them to give a thumbs up if they like that food. I give a thumbs up for foods I like. Say, **When God looked at all He had made, He gave it a great big thumbs up.** Give God two big thumbs up with your child, thanking God for all that He made.

### Try This:

Got pennies? Play a game with your child, taking turns naming your favorite things that God made. Pick a category, like food, plants, or animals. Give each person 10 pennies. After naming one thing put a penny on the table. Change categories after you have each named 10 things.
