## Ideas for Kindness

*“Be kind and compassionate to one another.”*

Ephesians 4:32

Ever feel like you don't have enough time to teach your kids all they need to know to be successful in life? Use those minutes in the car or waiting in lines or at doctor's offices. Pick a teaching from the Bible and brainstorm ways to put it in practice. For example, as you spot another kid, say, **If you were that girl, what kind thing would you want someone to do for you.** Take turns looking at the people around you and thinking of practical things you can do at home, church, school, and in your neighborhood. Pick one idea, think of someone you know and do it!

### Try This:

At bedtime, think through the day with your child and name all the ways God showed His kindness and compassion to you.
