SPRING A
Lesson 1

Listen Up!

***[Jesus] is “the stone you builders rejected, which has become the capstone.”
Salvation is found in no one else, for there is no other name under heaven
given to men by which we must be saved.***

Acts 4:11-12

Kids hear from others that there are various paths to Heaven. But they need to know what God says in His Word: that the only way is through Jesus (see John 14:6.). When my child came home asking about the beliefs of some of his friends, we looked at the Bible together and compared what the Bible says with what his friends said. Sometimes I bring it up again simply because I know he will continue to hear ideas contrary to God’s Word. **Always go to God’s Word. See what God says about things—that’s the truth, it’s dependable!**

Try This:

Play a game called “What I Need!” One person starts and the other person finishes: “I’m going to brush my teeth. So I’ll need . . .” The other adds, “Toothpaste, toothbrush, water,” adding other items he or she might think of. Continue with other more intriguing scenarios, but always end with, “I want to go to heaven. So I’ll need . . .” And there is only ONE answer—Jesus!
