SPRING A  
Lesson 2

## The Loudest Parade

*Clap your hands, all you nations; shout to God with  
cries of joy. How awesome is the Lord Most High,  
the great King over all the earth!*

Psalm 47:1-2

Sometimes when the royal family is on the news, I point out how the people respect and honor them for their position in society. I say, **Jesus is the King over all kings, the Ruler of us all. When we clap our hands or raise them toward heaven and sing to Jesus, we are showing we respect and honor Him. He is the one King who always deserves our praise!**

### Try This:

When we watch sports on TV or in person, we comment on how loudly everyone cheers for their team. Jesus deserves even BIGGER praise than the best sports team, so at home, we like to praise Him with some LOUD PRAISE! We put on upbeat praise music and play it loud, praising Jesus loudly together—He is our great King!
