SPRING A
Lesson 1

Thirsty Kids

“Whoever drinks of the water I give him will never thirst. . . . the water I give him will become in him a spring of water welling up to eternal life”

John 4:14

At a mealtime we talked about our favorite drinks. When do you like to drink milk? **When do you like a hot drink? An ice cold drink? What do you like to drink along with cake? With pizza? What do you want to drink when you are dying of thirst?** We talked about the water Jesus offered a woman in John 4—spiritual water that would keep her from becoming thirsty again in her soul. It was a good conversation about our thirst for God being satisfied through Jesus when we join God’s family.

Try This:

Don’t be afraid to keep on reviewing Bible stories your kids have heard all their lives! Preteens are beginning to understand word pictures that describe spiritual truths. That’s the reason why, even though your kids may have heard this story many times, you can tease new meaning from it—because they are gaining new ability to understand its deeper spiritual meaning. Keep on reviewing stories they’ve heard all their lives and help them see the deeper connections and bigger picture!
