Lesson 2

## Baby's Body

*"This is how we know what love is: Jesus  
Christ laid down his life for us."*

1 John 3:16

Here's a fun game we play when we have to wait. I sit my little one on my lap and look into her eyes. I say, **Jesus loves your** . . . as I take her hand and put it on her nose and then say **nose**. We continue naming different parts—and sometimes I pause to see if she will say the word first! Then I say the word but wait to see if she will touch the part we named. Sometimes she will put her hand on the body part herself and say the word—or try to! If she has problems remembering the name of a part, such as her knee, I might put a sticker or band-aid on it, then touch it from time to time and say, "Knee! This is your knee."

### Try This:

At our house, we love to play "Dance and Fall." I turn on some fun, fast music and we dance. When I pause the music, we fall down. When the music starts, we get up and dance again! Great exercise and always a good laughing time. We end with hugs and I say, **Jesus loves you, Little One**. I love you, too!
