Lesson 3

Worldwide News

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

John 3:16

We filter what news our kids see. Sometimes we just turn it off; other times we have conversations about it. Even disturbing or frightening reports create opportunities to reassure our kids that God is always with us as we go through even hard things. We also talk about the reality that **The good news of Jesus is for the whole world. When He came to Earth, died and rose again so we could join God's family, He changed everything!** We name the people we know who need to know this good news and then pray for them.

Try This:

When we read Bible stories at bedtime, we talk about what happened to the people who followed God and those who did not. I share my faith story with my kids and tell them why I follow Jesus. I speculate on what my life would have been like if I did not belong to God's family. I remind my kids that **God has a good life for those who choose to follow Him. That's great news to share with others!**
