Lesson 1

What Is Your Song?

Sing praises to the Lord.

Psalm 9:11

Have you ever gotten a song in your head and can't get it to leave? When you surround your kids with music, it will bubble out naturally from them, too. Download songs about God's love. Play music from Christian radio or Internet stations. Play worship music as you drive—around town or on the way to church on Sundays. That will be the music your kids hear and sing. Let your kids know, **We love to sing praises to God!**

Try This:

Singer or not, you all can sing praises to God! Simply put words about what you're doing or seeing to a familiar tune—or make up your own tunes. (For instance, "I see the dog. I see the cat. Thank You God, for my pets!" to the ABC song.) Songs that arise naturally stick with your preschoolers—and help them praise God in their everyday lives. It won't matter what it sounds like. Soon they'll make up songs, too!
