Lesson 4

Mission Possible!

Go and make disciples of all nations . . . teaching them to obey everything I have commanded you. And surely I am with you always.

Matthew 28:19-20

I've told my kids many times about those people in my life who told me about Jesus when I was young. I express my thanks that they had courage to tell me about what He had done in their lives and that He wanted to do something in my life, too. I'm forever changed because of it! I tell my kids, **It's our mission to let others know how much Jesus loves them and how to join God's family, so they can be with Him, too.** We pray for courage and His power to tell others.

Try This:

A neighbor recently told us how they noticed we had families over after church on Sundays, with all the kids playing in the yard and having such fun. We told them our church family is very close and we help each other a lot. We told them about our bond to each other because of Jesus' love in us. We relayed the conversation to our kids so they knew they were a part in sharing Jesus with the neighbors just by the way they lived their lives.
