SUMMER A
Lesson 10

Being Friends

“Greater love has no one than this, that he lay down his life for his friends.”

John 15:13

Some of our favorite summer activities have been ones arranged with a friend from church who has toddlers! A picnic lunch to the park together gives our kids time to enjoy the toys, the fresh air and the other children. Plus, we parents get to talk about things that interest us. Good friends are good for us all! It's worth the extra effort to cultivate friendships—both for your kids and for yourself.

Try This:

We sing this song to the tune of “Farmer in the Dell” first thing in the morning, in the car, at bedtime, when we look at pictures of friends and family members. “We smile and we wave. We smile and we wave. We love our friends and family, we smile and we wave.” My little one soon sings along and I have noticed that he smiles and waves at people more, even when we aren't singing the song. I like to remind him, **God gives us our friends. God loves us.**
