Lesson 8

## Kids Say the Cutest Things!

*"I always thank God for you."*

1 Corinthians 1:4

Days can be hectic with no time to even catch your breath! But sometimes your little ones do and say the cutest things. Or you watch them do something they haven't done before. I take just a second and jot some of these things down. (You might even want to keep a file on your computer!) It's fun to read these and remember, and to see how they've changed. I tell my child about some of the things I wrote down that she can do and say, **I am so thankful for you! God is helping you to grow.**

### Try This:

When you read picture books together that have children in them, point out what big kid things the children are doing. Ask your child to find pictures of children doing what he or she can do.
