WINTER B
Lesson 2

Perspective on Presents

“For to us a child is born, to us a son is given.”

Isaiah 9:6

Do your kids get more materialistic this time of year, wanting every new kind of gadget available? Who can blame them with all the advertising, not to mention friends who are talking about the latest stuff! We try to get our preteens to think beyond themselves as we develop our Christmas gift list. At supper we wonder, **What kind of Christmas gift might kids your age like if their family didn't even have enough money to pay their bills? Do we know anyone like this we could surprise with a gift? How is Jesus a gift to us? What kind of gift might Jesus like to receive from us?**

Try This:

My kids don't always have my taste in music—and I don't have theirs! I get online and explore good music kids can relate to that I enjoy, too, and I introduce it to my kids. Sometimes they like it! They also seem to want to share their music more with me and it gives us something to talk about—and maybe a Christmas gift idea!
