Lesson 11

## Faith in His Word

***“But these are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name.”***

John 20:31

The first time my daughter was assigned a research report, I warned her about the danger of looking for information on the Internet. “Don’t believe everything you read!” I told her. I explained how anyone could put information on a website, but it wasn’t guaranteed to be true. We went on to talk about why we believe the Bible: It is God’s Word, given to us by God to reveal what is true about Himself and Jesus. He gave us His Word so that we can know Him, love Him and become part of His family!

### Try This:

Here’s a fun way to talk together about the Bible. Order or make pizza for dinner. Before each person takes a piece, each one shares a favorite Bible story or verse. Look up the verses or stories, and read them aloud while everyone eats.
