Lesson 11

## Jesus' Love for Your Child

*"Jesus said, 'Let the little children come to me.'"*  
1 John 4:19

Play this fun game with your little ones. Tell them how Jesus told the children to "Come to me." Show them where to stand a few feet away from you and say, "Come to me!" When they run to you, give them a big hug and kisses and say, **Jesus loves you. I love you.** They will go back again and again to play this and get hugs and kisses of love.

### Try This:

Be sensitive to the individuality of your child. One of my kids was a slow-to-warm-up child when it came to joining groups. Another one jumped into social activities with both feet. If your child loves being around other kids, plan times for him or her to play in groups. If your child is quiet and slow to join in groups, find one or two others he or she can play with.
