WINTER D  
Lesson 8

## Love One Another

***“Accept one another, then, just as Christ accepted you, in order to bring praise to God.”***

Romans 15:7

Invite your children to think of people they know or people they’ve seen who might appreciate having some love and kindness extended to them. Maybe it’s the homeless person who stands on the street corner you pass each day, the classmate who spends every recess alone or the friend whose mother just lost her job. Ask your kids to tell how they might feel in that person’s situation. How can they show love or kindness to that person? Talk about times when you needed kindness and acceptance and others were kind or helpful to you.

### Try This:

Have your child draw a rainbow, a cross or some other symbol that reminds us of God’s love and care for us. On the picture, write the names of people you know who might be feeling lonely or who are facing difficult times. Post the picture where your entire family can see it, and remember to pray for one of those people whenever you see the picture. At the end of the week, send a note of encouragement to one or more of those people, letting them know that your family has been praying for them.
