WINTER D
Lesson 5

Glory to God

“The Word became flesh and made his dwelling among us. We have seen his glory.”

John 1:14

If you're like most of us, you put a lot of thought into the names you gave your children. If you have never done so before, share with your children how you decided on their names—look up the meanings of their names, and talk about how God knows their names. **When Jesus called His disciples, He called each of them by name to join Him in telling others about God's kingdom.** Then talk about several of Jesus' names and what they mean (Lamb of God, Rabbi, Messiah, Son of God, the Savior, Emmanuel).

Try This:

Challenge your children to list every name they've heard describing Jesus. Choose the seven you like best, and as you make time to pray as a family every day this week, address Jesus by one of the seven names you selected.
