WINTER D
Lesson 7

Pass It On

***“For God so loved the world that he gave his one and only Son,
that whoever believes in him shall not perish but have eternal life.”***

John 3:16

This week’s Bible verse is one of the first verses I ever memorized as a child. A few weeks later, I was watching a football game with my father when I saw a man holding up a sign with the verse reference on it. “I know that!” I shouted, but then I wondered what John 3:16 had to do with football! My dad explained that the person was so excited about God’s sending His Son for us that he wanted to share the news with everyone! His sign was one way to do that. What are some ways your kids have seen around them that share the news of God’s love with others? Think together about that, and then plan a way you can share the good news, too!

Try This:

Pay it forward this week! Do something special for your child to show love (add a favorite snack to her lunch, take time to play a game with him, etc.). Then, challenge your child to “pay it forward” with a sibling or friend this week. At the end of the week, take time to talk about how your child showed God’s love to that person.
