Lesson 6

## Trust in the Lord

*“Blessed is the man who trusts in the Lord,  
whose confidence is in him.”*

Jeremiah 17:7

Can you trust someone you don't know or trust something you've never tried? How much time does it take before you can trust that someone is safe? Our children wonder about such big questions as they grow. They make new friends, have new coaches and even get new Sunday School teachers. They can start to wonder, Who can I really trust? When kids have moments where they feel let down by someone, that's our opportunity to remind them that God is completely trustworthy. They can ALWAYS have confidence in Him!

### Try This:

Blindfold your child, and then let him or her try navigating through the house unassisted, as you walk silently a few steps behind. Then, walk with your child, guiding him or her with words or touch. **Was it easier or harder without a guide? Which time did you bump into fewer things? It's easier to know which way to go when someone you can trust will guide you! God is glad to guide us in all we do. We can pray to Him anytime we need help!**
