Family Connections

A quarterly letter for connecting with families of children ages 3 to 6 at <Type your church or children's ministry name here>

Welcome to "Family Connections"—the quarterly newsletter that helps you know what your child is learning from God's Word. Please let us know if we can help you in any way as we partner together to grow kids in Jesus.

Family Thought

We usually feel good when we are with family and friends. Jesus loved to be with His family and friends too. He visited them, ate with them, and even wept with them. Be sure your family is sharing plenty of time with your best friend—Jesus!

Coming This Quarter

Units of learning include:
- Jeuss Is Powerful
- Jesus Is God's Son
- The Church Follows Jesus

Family Memory Challenge

Bible verses your child will be learning this quarter:
- Psalm 147:5
- Matthew 16:16
- Mark 16:15

Power up and learn God's Word. Find each unit's Bible verse in a family Bible. Do air punches with your arms and repeat Psalm 147:5. Do jumping jacks as you say the exciting words of Matthew 16:16. Run in place and shout out Mark 16:15. Be fit in the Word as well as the body.

Growing Together

Write each family member's name on a separate slip of paper, and put the papers in a jar. Each week pull out one paper. The family member who is named on that paper will become your "Star of the Week." See how many ways you can recognize your star member. Fix your star's favorite meal or snack item. Have other family members make cards or write notes to give to the person being recognized. Ask your star to share a talent or ability at a family gathering. (Turning a somersault counts too!) Be sure to applaud the performance. Have a family prayer time, and thank God for blessing your family with your star member.

As you recognize each person's unique and special abilities, your family will grow in its appreciation for the special family group God has given to you.

For more family fun, go to www.heartshaper.com and download the free weekly family pages for your child's age level.
