Here's a game you can play in the car, at home, or anywhere! As a family, play the God Is . . . alphabet game. Work together to complete the sentence "I believe what God says because God is _____," filling in a word or words that start with each letter of the alphabet (awesome, big, caring, divine, everywhere, Father, etc.). Start at the beginning of the alphabet and repeat all the descriptive words each time you add a new word.

gAmE TiME!

Have fun with your family, thinking about what you believe. Take turns telling short stories, both made-up and true. (You might want to set a time limit on the length of the story each person can tell.) Include Bible stories and stories about yourself or imaginary characters. Decide together which stories you believe and which ones you do not believe. Discuss the difference between the truth and made-up or untrue stories.
