

ELEMENTARY HEALING TIME LINE

John 9: Jesus Heals a Man Born Blind

Supplies

- copy of the Healing Time Line scenes and blind man figure for each child (continued on p. 189)
- crayons or markers
- scissors
- craft sticks (1 per child)
- glue
- tape

Directions

Color and cut out each time line scene and the blind man figure (leaving the blind man figure as one piece). Fold the figure on the dotted line. Glue a craft stick between the two sides of the blind man figure, at the bottom. Tape the time line scenes together in order per the numbers in the lower right corners. Move the blind man through the

time line, placing him in the empty spaces in each scene as you retell the story of how Jesus healed a man and showed God's power:

- 1) As Jesus was walking, He saw a man who could not see (show side of the man with eyes shut).
- 2) Jesus spit on the ground and made mud with the dirt.
- 3) Jesus put the mud on the man's eyes.
- 4) Jesus sent the man to wash in the Pool of Siloam.
- 5) When the man washed off the mud, he could see (turn the blind man over to show his eyes opened)! The man told others about what Jesus did, and worshiped Jesus. God is worthy of worship.
