PRESCHOOL "JESUS HEALS A MAN BORN BLIND"

REPRODUCIBLE BOOKLET

BIBLE STORY REVIEW CRAFT

MATERIALS: Copies of "Jesus Heals a Man Born Blind" Reproducible Booklet (1 per student), crayons or washable markers, scissors

These booklets can help preschoolers review the Bible story. For younger children, you may want to cut out the booklets before the lesson. After the booklets are colored and cut, show children how to fold the book in half so scenes 1 and 4 are behind scenes 2 and 3. With scenes 2 and 3 facing you, fold the book in half again so scene 4 is the back of the book and scene 1 is the front. Give children time to retell the story, as a group, while using their books.
